Does your community have the best drinking water?

CONTEST RULES:

- Bring **one litre** of *chilled* (not frozen) water in a glass jar (or equivalent) from your water treatment plant, water truck or tap to the Registration table at the Explorer Hotel in Yellowknife on Saturday, November 19, 2016 *Note: water will pick up taste from its container and the rubber on many jar lids- don't use a coffee thermos or a pickle jar!* ***Remember to label the container with your community's name!***
- Late entries will be accepted up until the contest start on the afternoon of Saturday, November 19, 2016. See Jennifer Spencer or Pearl Benyk for more information.
- Only water from a treatment plant that is considered safe to drink will be eligible.
  - Communities that have had a boil-water advisory in the last year will be disqualified.
  - Communities that do not meet the current requirements of the NWT and Nunavut *Public Water Supply Regulations* will be disqualified.

Water will be judged on the basis of:

- **Taste** - 25 points
- **Bouquet** (smell) - 25 points
- **Clarity**
  - Colour - 25 points
  - Turbidity - 25 points

CONTEST START:

- **Saturday, Nov. 19, 2016 at 3:30 PM** at Explorer Hotel, Yellowknife
