When making your reservation at any hotel/motel offering a discounted conference rate, tell the reservations clerk you are attending the Northern Territories Water and Waste Association conference in order to get the reduced rate.

If booking at the Chateau Nova, quote conference **reservation code: 5778725** to get the discounted rate.

NOTE: As accommodations are often difficult to find in Yellowknife, we recommend that you book your accommodation as soon as possible. Even if you have not yet pre-registered for the conference, it is probably wise to book accommodations soon, as hotel reservations can be cancelled later if necessary.
